

The Crown Inn

GANGES HILL, FIVEHEAD, TAUNTON TA3 6PQ Tel:01460 281919 Email: thecrown_inn@btconnect.com

Steve & Jacqui Chastell welcome you to The Crown Inn Fivehead, a 16th Century Public House offering traditional pub fare and activities an outside eating area and a warm friendly welcome.

When you walk through the door you will see a large inglenook fireplace with an oak beam that has been in place for 400+ years. That is just one of the things that show the age of the building which started life as a cider house and smokery. There have been additions over the years but the charm of being a typical village pub still remains.

At the Crown we take pride in being a traditional pub offering traditional locally sourced fare like homemade Steak & Kidney or Steak & Ale pie served with mash and fresh veg, local faggots with mash peas & gravy and sausage egg & chips amongst the offering. We also provide a plated Sunday lunch in three sizes to cater for varied appetites. We have a choice of real ales as well as lagers, wines, spirits and soft drinks

We have a very active skittle alley/function room which are available for hire. We also have darts and bar billiards. No village pub would be complete without regular quiz nights which we hold every Wednesday and Sunday evening.

In addition to this we are also a shop which is open 7 days a week for newspapers and basic requirements.

Check our web site www.thecrowninn.2day.ws for details.
