

St Martin's Church

**Will you help your Village Church**  
**It wont cost you a penny**

To celebrate their 130<sup>th</sup> Anniversary, Ecclesiastical Insurance, who insure our Church, will donate £130 to St Martin's Church **for every new Home Insurance policy** (either Buildings and Contents or just Contents Insurance) taken out with them before 31<sup>st</sup> December 2018. This wont cost you a penny but will benefit the Church at a time when we urgently need additional funding.

You will know that, all too often loyalty to an Insurer doesn't pay, and it's always worth shopping around for other quotations. Whilst we cannot offer any advice, all we would say is that we believe their rates are extremely competitive, and three Parishioners have already changed their Insurance to Ecclesiastical, are extremely satisfied and have all saved money on their premiums.

St Martin's Church is facing increased expenditure this year in necessary repairs to the fabric of the Church identified in a recent inspection; this scheme offers a painless way of raising money and will ensure that our lovely ancient Church is maintained to the highest standard, but we need your help.

The only conditions are:

- a. Quotations can only be obtained online ([www.ecclesiastical.com/Trust130](http://www.ecclesiastical.com/Trust130)) or by telephoning 0800 783 0130 and quoting Trust 130.
- b. You must nominate an Anglican Church and we hope you will nominate St. Martin's Church, Fivehead
- c. Cover must start before 31<sup>st</sup> December 2018.

So why not at least get a quotation from Ecclesiastical when your current Home Insurance comes up for renewal, and hopefully you will then go with it, which will then provide a much needed boost to our income,

Should you wish to discuss any aspect of the offer, please don't hesitate to ring Oliver Howard, St Martin's Church Treasurer on 01460 - 282911.
