

St Martin's Church

Can you help your Church - It won't cost you a penny

The purpose of this note is to alert you to an offer from Ecclesiastical Insurance who insure our Church and its contents, and which will benefit the Church and won't cost you a penny

To celebrate their 130th Anniversary, Ecclesiastical will donate £130 to St Martin's Church for every new Home Insurance policy (Buildings and Contents or just Contents) taken out with them before 31st December 2019. This offer was started in 2018 but has been extended for another year.

You will know that, all too often loyalty to an Insurer doesn't pay, and it's always worth shopping around for other quotations. Whilst I cannot offer any advice, all I would say is that I believe their rates are extremely competitive, indeed the five people who took up the offer last year found that they not only saved money but in most cases got better cover, so please read on !!

St Martin's Church is facing increased expenditure this year, both in necessary repairs to the fabric as well as the high cost of our Parish Share payment to the Diocese; This scheme offers a painless way of raising money for the Church and won't cost you a penny..

The only conditions are:

- a. Quotations can only be obtained online (www.ecclesiastical.com/Trust130) or by telephoning 0800 783 0130 and quoting Trust 130.
- b. You must nominate an Anglican Church and we hope you will nominate St. Martin's Church, Fivehead.
- c. Cover must start before 31st December 2019.

So may I ask you please to at least get a quotation from Ecclesiastical when your current insurance comes up for renewal, and hopefully you will then go with it, which will then provide a much needed boost to our income,

With my thanks in advance, and should you wish to discuss any aspect of the offer, please don't hesitate to ring me,
