Dear Mrs Beacham,

RE: PLANNING APPLICATION ON LAND OFF BUTCHERS HILL, FIVEHEAD

We are in the process of preparing a planning application for a small-scale development on land off Butchers Hill, Fivehead. A planning application has not been formally submitted to South Somerset District Council because we wanted to offer an opportunity to comment on draft proposals first.

Under normal circumstances we would hold a public consultation event in the village hall or similar venue. In these challenging times, this will not be possible. We are however, via a dedicated web site able to allow members of the public to comment and provide feedback on the current proposals. The web site can be accessed via the following link; <https://www.wyg.com/planning/consultations/land-off-butchers-hill-fivehead>

The current development proposal is for a total of 7 dwellings, comprising 2 four bed chalet bungalows, 3 three bed bungalows and two houses that will be sold to local people at a discount to their open market value.

If you have any questions regarding the website contents or about the application proposals, please don't hesitate to get in touch.

Yours sincerely

Chris Winter
