SEPTEMBER 2020

Corona Virus Update: Whilst every death is undoubtedly an absolute tragedy, the situation in Somerset has been throughout the pandemic relatively quiet compared to the rest of the Country. As at 25th August, the number of confirmed Covid cases in Somerset was 1,373 and the number of Covid-attributed deaths 203. There was one further Care Home death in late July and the current number of total deaths across the County is currently 4% below the 5-year average. The latest R value for Somerset is between 0.8 and 1.1.

Return to School: Children of all ages are expected to return to school over the next two weeks with the clear message from Somerset's head teachers that they are ready and can't wait to welcome the pupils back. Measures being put in place vary from school to school but include: Year group or class group bubbles; one-way systems; regular hand sanitizing and cleaning of spaces; desks organised in rows all facing the front and spaced out; outside areas divided into 'zones', which are allocated to specific groups of children plus staggered start and finish times.

Parents and students are being advised to walk, cycle or be driven to school or college where possible. For those that use school transport Students are advised to sit with their year group and are strongly advised to wear face coverings on the bus. For college transport, routes where additional capacity is needed, SCC are laying on approx. 20 additional buses at peak times. Details are at: <http://www.somerset.gov.uk/schooltransport>

Health Visitors, who as part of their role visit new parents after having a baby, had to adopt big changes to the way they work to enable them to deliver services to new parents to offer much needed support advice and guidance, weigh-ins for new babies, ante-natal, post-natal and infant feeding support and other essential contacts.

Organised by Somerset Music, the video features the Somerset County Youth Choir, Somerset County Youth Orchestra and Somerset County Youth Concert Band. Armed Forces Covenant Recognition: SCC has been awarded the Silver Award in recognition of the Council's support for the Armed Forces community. The Armed Forces Covenant is a promise from the nation to those who serve or have served that we will do all we can to ensure they are treated fairly and not disadvantaged in their day-to-day lives. The Covenant seeks to ensure fair treatment for Regulars, Reservists, Veterans and their immediate families. Silver Award winners must actively demonstrate that servicemen and women, and their families, are not treated unfairly because they are serving in the Forces and must have an internally publicised positive Human Resources policy on employing Reservists.
